- Computer

## Learner Information

Exploring post-secondary programs is often part of researching career options. Understanding which college or university credentials can lead to which jobs is an important part of this process.

Open the undergraduate program search page at York University:

<https://futurestudents.yorku.ca/program-search>

Use the “Interests” menu to filter results based on your interests. Scan the results and select a program of interest.

Click on “see program details”.

## Work Sheet

**Task 1: Which program did you select from the Interests menu?**

Answer:

---

**Task 2: List two (2) or three (3) possible careers associated with this program.**

Answer:

---

**Conduct a Google search for one career path and “working in Ontario”. For example, “elementary school teacher working in Ontario”.**

**Task 3: List three (3) websites that share information about working in this career.**
