Learner Information

There are many reasons people want to know the weather today or a few days from now. People often look up the weather to choose clothing, prepare in advance of a storm, or plan travel.

Go to the Weather Network page:

<https://www.theweathernetwork.com/en>

Instructions:

In the "Enter location" box, type the name of your town or city. Click the correct entry from the drop-down menu.

Make sure you choose your location in Ontario.

If your location does not appear, try typing the name of a larger city close by.
