

Task Title: Note Taking Strategies Video

OALCF Cover Sheet – Learner Copy

Learner Name: _____

Date Started: _____

Date Completed: _____

Successful Completion: Yes No

Goal Path: Employment Apprenticeship

Secondary School Post Secondary Independence

Task Description: The learner will watch a short video about strategies for note taking, and answer questions.

Main Competency/Task Group/Level Indicator:

- Find and Use Information/Extract info from films, broadcasts and presentations/A3

Materials Required:

- Pen/pencil and paper and/or digital device
- Computer

Learner Information

Post-secondary students may benefit from learning new strategies for taking notes in class. This is because college and university classes typically cover far more information than high school classes; previous strategies may not work well in post-secondary lectures. Learning different notetaking strategies can help each student discover what works best for them.

Watch University of Toronto's video on "Effective Note-Taking" (4:21).
